

Cub Cadet Frontcut 50 127cm/50"

22hp Zero-Turn Mower

Key Features

1 O-Turn Technology

The new FMZ 50 O-Turn Mowers allow you to manoeuvre around and under trees, fences and anything else you may encounter. It combines the manoeuvrability of a O-turn rider, comfort of a garden tractor, operator view of a residential O-turn and accuracy of a front mount deck.

2 Easy Attach Deck

No tools are required to attach or remove the deck, making it easy to service.

3 Engine

The FMZ-50 is powered by a beefy 22hp Kawasaki V-Twin overhead engine.

The twin-cylinder engine is more efficient and has a little less vibration than single-cylinder engines.

4 Transmission

Dual hydrostatic transmission, is fully auto ensuring one foot pedal does everything.

5 Fuel Tank

The fuel tank capacity is 13.25 litres.

6 Comfort Features

Adjustable high-back seat with arm rests and soft touch tilt steering wheel provide maximum comfort.

To claim your **FREE** Brushcutter S2690K with the purchase of a Cub Cadet Front Cut 50" tractor, please complete the details below in full:
